FOR THE

2023 FREE ENTERPRISE SUMMIT

The Free Enterprise Summit will feature the release of *Colorado's Free Enterprise Report* and *The Rankings Book: 2024 Edition*. This release compiles a wide range of economic and policy indicators. Each of the indicators measures Colorado's rank compared to other states to highlight successes and determine areas for improvement. These tools will provide a framework to help elected officials, policy makers, and individual voters identify trends and potential policy challenges.
