

HIGHER EDUCATION LAUNCH PAD

THE POSTSECONDARY RESULTS OF THE DSST PUBLIC SCHOOL MODEL

Authors: CSI Education Fellow Jason Gaulden, Chris Brown, Cole Anderson

Contributing Author: Van Schoales, Keystone Policy Center

FINDINGS FROM THE GRADUATING CLASS OF 2016 THROUGH 2022

1 LOW INCOME RESULTS

20% of DSST's low income students earned postsecondary credentials, compared to just 8% of all DPS low income students.

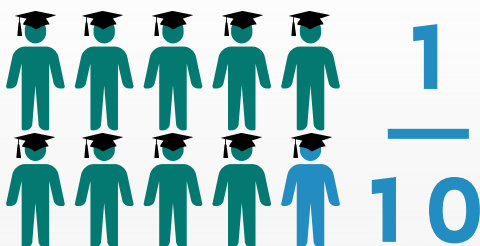

2 POST-SECONDARY ATTAINMENT

DSST Montview High School's postsecondary credential attainment was **three times the district average, #1 in DPS.**

3 DSST CREDENTIAL SHARE

1 of every 10 DPS postsecondary attainers graduated from DSST, while DSST accounted for just 1 in 25 seniors.

4 DSST ECONOMIC IMPACT

\$1.5 Billion

increase in Net Lifetime Earnings...

...if just the 2016 DPS high school graduating class achieved DSST's postsecondary attainment rate.
